

A better environment inside and out.™

## Mastering Architectural Window Film

The Solar Gard® Mastering Architectural Window Film Installation Workshop is a comprehensive, hands-on two day course covering basic and advanced skills, techniques required to gain a full understanding of proper installation practices. The curriculum is highly interactive and provides for necessary one-on-one attention to develop your architectural installation skills.

### Some of what you will learn during this course:

- Installation skills using a variety of window types, films, and tools.
- Installation of pressure sensitive and Clear Dry Adhesive films
- Reverse roll film application

**Prerequisite:** No prerequisite course is required

**Enrollment Fee:** \$595.00 per person

### Each attendee will receive:

Solar Gard Certificate of Completion  
"Mastering Architectural Window Film"
