Clearshield® - Limited 5 Year Automotive Warranty

Thank you for choosing Solar Gard® Clearshield® paint protection film from Saint-Gobain Solar Gard UK Ltd, (hereinafter referred to as SGSG). In the unlikely event that the Clearshield paint protection film you have purchased should experience yellowing, cracking, crazing, bubbling, peeling, delamination, adhesive failure, or any other failure due to manufacturer's defect, SGSG will provide replacement Clearshield paint protection film and reasonable labour charges to an authorised warranty servicing dealer. Not to exceed the combined amount of the Product price and installation cost as stated on the original invoice. Payment of labor for partial paint protection film replacement will be prorated based on the amount of defective film replaced and the amount charged for installation as stated in the original invoice. Dealer warranty claim payments are limited to the amount set forth in the Clearshield dealer warranty claims pay out schedule. In the event that it is necessary to replace defective film, any such replacement will not extend the duration of this warranty coverage. This warranty applies any individual, company, business or entity that purchased the film from an independent Clearshield dealer (confirmation is available from your local Solar Gard service centre).
